Group 01
Staccato Music Player

SELF ASSESSMENT

I have developed the extended list of use cases and the list of actors. I have linked every one of those use cases to a requirement for the traceability matrix. I have also updated the requirements document.

PEER EVALUATION

Samuel Cormier-Iijima (10)

Rationales for the Chosen Architecture
Tractability Matrix (Link use cases to classes)

Stefanos Koskinas (10)

Use case diagrams
System Architecture Diagrams

Bertin Leblanc (10)

Detailed description of 15 use cases

Amin Mirzaee (10)

List and description of Main classes
